**Luxury Adventures:** We all dream of those life-changing experiences that will transform us into enlightened beings-but we don't ever seem to get off our ergonomic office chairs. Maybe it's the planning and details that stop us from packing our bags and hitting the open road. Fortunately, the "experience" experts at Wallbounce can deliver that life-altering adventure you've been waiting for all these years. From a bicycle tour of Provence to Hatha Yoga , massage & rafting, these clever adventure aficionados have planned it all. With trips as varied as a high-flying trapeze school to deep sea diving, Wallbounce has an experience that'll fit even the most creative career day-dreamer.

Biking through some of the most beautiful parts of France, you'll catch the scent of lavender as you wind through the countryside and soak up the sun and the culture. From wine tasting to open air markets you'll return to the "real world" refreshed and ready to take on new challenges (like those quarterly reports - okay, we're reaching). If you're looking for something a little faster paced, jump into the driver's seat with Dale Jarrett's NASCAR racing team at Talladega Superspeedway. Imagine the sound of a high-performance engine screaming in your ears and the smell of hot rubber as you enjoy 6 -60 lap driving lessons from one of NASCAR's best drivers.

Perhaps something a little more luxurious? Wallbounce offers decadent chocolate tasting experiences, cooking courses with world-renowned chefs, an Italian culinary tour in Tuscany exploring the countryside, and even a relaxing At-Home Wine Tasting for the cultured home-body. If health is where your heart is, Wallbounce also provides Private Lessons with a Personal Trainer and Private Prenatal Yoga Class for all of mommies-to-be.

Whether you're looking for the adventure of a lifetime or an experience to transform your soul, Wallbounce has taken care of all the details - now all you have to do is pack.
