Ultimate Wimbledon

You have about a month left to book an exclusive centre-court package for England's most prestigious tennis tournament.

Wallbounce, a company that sells prepackaged and customized trips "for discerning clientele," has special deals for both the Women's and Men's Finals at Wimbledon, July 8 and 9, respectively. The packages include private car transportation to the All-England Club, coffee and biscuits on arrival, a champagne reception, a four-course lunch with wines, afternoon tea and seats at Centre Court (just in case you want to watch some tennis in between rounds of eating and drinking).

All this is yours for only \$4,188 (Women's Final) or \$6,990 (Men's). If horse racing is more your speed, Wallbounce has a special Royal Ascot package that includes transportation to the race course via chauffeured Bentley. The price is "available upon request."
