

St. Patrick's Parade - Sunday, March 21, 2010

The parade is provided by the Pocono Irish American Club and this year's Grand Marshall will be John Riley!

All businesses are encouraged to be open leading up to or following the parade. The parade route runs from Stroudsburg High School to Liztech in East Stroudsburg. The route is lined with thousands of your friends and neighbors. This is a great time to promote your downtown business at little to no cost, and have a great time! Show your green colors...don't you hear the bagpipes!
