SAFE HAVEN OF PIKE COUNTY

Safe Haven advocates the right for every person, adult or child to live in a non-violent environment where individuality and equality are recognized and respected. In addition, they believe that through education, training, and counseling, survivors of domestic violence and sexual abuse can be empowered with the strength to choose and maintain a lifestyle of personal growth and purpose. Their goal is to eliminate racism, classism, and sexism by encouraging others to do the same.

Safe Haven responds to the needs of victims of domestic violence and sexual abuse by providing direct services in the form of counseling and advocacy for adults and children, community education projects, training programs and by maintaining a hotline for victims to provide access to a trained volunteer on a 24 hour basis.

The Tour de Force's dual mission is to honor the victims of 9/11 by keeping their memory alive through cycling events and to raise funds, to benefit the families of police officers, who were killed in the line of duty, each year, nationwide, making the ultimate sacrifice.

History of The Tour de Force

The "Tour de Force" was started in 2002 after Det. Robert De Paolis of the NYPD (since retired) decided to ride his bike to honor the fallen police officers that gave their lives in the September 11, 2001 attacks. He was then joined by 8 other members of the NYPD and one member of the Bronx District Attorney's Office and along with four volunteer support personnel, they cycled their way from the Pentagon in Arlington, VA, through Washington, DC, Maryland, Delaware and New Jersey and finally to Ground Zero, NYC. In 2003, the Tour de Force was incorporated in the state of New York as a non profit charity and later gained 501(c)3 status from the IRS.

The TDF has now evolved into an annual four day event in which we continue to remember our brothers and sisters that died that fateful day. In their honor, we have made it our mission to raise funds for families of police officers nationwide that are killed in the line of duty. The TDF also holds several one day benefit events, each year.
