

YOU ARE INVITED...

ART-thentic C AIRity

Sit a moment...Open your hearts to peace

Safe Haven is sending out a call to all artists who would like to ply their trade on an unusual canvas – chairs! Donations can be rocking chairs, recliners, car seats, bar stools, etc. There are sooooo many ideas. Anyone interested in donating a chair or any other original artwork should contact Sheila Korick at 570-296-2827. Safe Haven is also in need of sculptures, paintings and other media donated for this inaugural event. The finished chairs can be decorated from mild to wild and must be and all original artwork donations must be delivered to Safe Haven no later than July 15, 2010. This is a great opportunity for artists to have their work seen and appreciated. Safe Haven will be hosting their 2nd annual Art Auction, entitled “Art-Thentic CHAIRity with the proceeds benefiting our children’s programs. This unique signature event will unveil dozens and dozens of creatively altered and embellished chairs and other mediums on Saturday, August 27, 2010 with the location to be announced...plan to come early so you get the best “seat” in the house which you will CHAIRish forever!

Looking for ideas... how about a child’s chair, it could be a teddy bear painted on the seat, a computer chair could have a monitor or printer painted on it, a kitchen chair could have a grocery list (that I’m always leaving on the kitchen table) painted on it, oh... how about a rocking chair with an afghan or slippers, a car seat could have baby food, play toys, and a bar stool could have glasses or a drink recipe....

Artists and creative types, including those who want to try to “upcycle” ...have we got fun for you!

If you and your friends would like to create a chair, a painting of a chair, or donate artwork to be used at the 2nd Annual ArtThentic Art Auction... Please contact Sheila Korick at 570-296-2827. All proceeds will benefit the Children’s Programs for Safe Haven of Pike County
