

# Pedorthic Pre-Certification Training Course

February 1st - 14th, 2010

**SPECIAL AETREX DISCOUNT:** Aetrex is offering to all attendees of the EPI Pedorthic Pre-Certification course the following offer: Buy 40 pair of new Aetrex footwear styles and receive 20 pair free, a \$1300 value! Attendees must request to participate in the promotion when signing up for the EPI course to be eligible to partake in it. The 40 pair order must be placed within 45 days of the start of the course.

In cooperation with the ABC requirements, the Eneslow Pedorthic Institute (EPI) is offering a three-level competency training course for aspiring CPEDS. To provide maximum benefit in a minimum of time, a portion of the level one curriculum will be administered through a distance learning program that includes required readings, and testing of all mandatory topics. Upon passing the level one test, students will attend the remainder of the pedorthic pre-certification course at the Eneslow Pedorthic Institute. The course includes the required tests for competency to sit for the ABC exams.

Upon completing the course and successfully passing the competency tests, and fulfilling the 1,000 hour "Clinical practice Requirement" students are eligible to sit for the ABC exam to earn their Pedorthic Certification. For detailed information on the ABC requirements please refer to the ABC website at [www.abcop.org](http://www.abcop.org).

For more information on ABC Clinical Practice Requirements, please go to [www.abcop.org](http://www.abcop.org).

**Pedorthic Pre-Certification Course - \$3,995**

Since 1909, Eneslow Pedorthic Enterprises has been serving the medical community and the public by providing footwear and related devices to prevent and relieve painful and debilitating conditions that are managed at the foot and lower extremity. The Eneslow Pedorthic Institute (EPI) was created in 1995 to enhance the Pedorthic profession and offer Pedorthic education, and training to healthcare professionals and the public. Today, Eneslow Foot Comfort Centers offers footwear that is designed to be attractive while providing the benefits of its founding mission to improve the quality of people's lives from the foot up.

# Certified Shoe Fitter Course January 25th - 26th, 2010

Eneslow Pedorthic Institute offers the Certified Shoe Fitter Course, a comprehensive two day course leading to ABC Certified Fitter of Therapeutic Shoes (CFTS) for individuals who fit non-custom therapeutic shoes and non-custom diabetic multi-density inserts. Faculty: Robert S. Schwartz C.Ped, Justin Wernick, Medical Director, Joan Edelstein, MA, PT, FISPO, C. Ped and Sarah Goldberg, C.Ped over a two day period.

## Scope of Practice

An ABC Certified Fitter of Therapeutic Shoes (CFTS) is an individual trained and qualified to measure, fit and dispense prefabricated therapeutic and functional footwear, foot care products and inserts, non-custom diabetic footwear, and Medicare approved off the shelf, unmodified depth in-lay shoes manufactured to accommodate dual-density diabetic inserts.

With a greater need for competent, reliable, and ethical patient care as it pertains to those who live with diabetes and the symptoms attributed to the disease, it is necessary to hold those responsible for patient care to a higher standard. The ABC Fitter of Therapeutic Shoes is awarded as an attestation of competency for the public, those who require orthotic/prosthetic services as a result of diabetes, and those in other health professions. Applicants for certification are required to complete established educational and experiential requirements.

## EPI Certified Shoe Fitter Course

This comprehensive two day course includes 16 contact hours of in-person hands-on and didactic training in the following areas:

1. Anatomy of the Foot in relation to shoe fitting
2. Medical Terminology
3. Materials used in footwear and orthotics
4. Patient Evaluation & Techniques for therapeutic shoes

5. Product selection for Common Foot Pathologies and Deformities
6. Foot Measurement, Shoe Fitting and Selection Criteria
7. Complications Associated with the Diabetic Foot
8. Knowledge of CMS documentation requirements
9. Professional Ethics, Standards, Scope of practice

## ABC Eligibility Criteria & Certification Process

1. 250 hours of patient contact includes fitting of therapeutic shoes and ready made orthoses.
2. An attestation form verifying the shoe fitting experience.
3. Completion of an approved Certified Fitter of Therapeutic Shoe class.
4. Successful completion of an ABC administered exam.
