

# Pedorthic Pre-Certification Training Course

July 26th - August 8th, 2010

**SPECIAL AETREX DISCOUNT:** Aetrex is offering to all attendees of the EPI Pedorthic Pre-Certification course the following offer: Buy 40 pair of new Aetrex footwear styles and receive 20 pair free, a \$1300 value! Attendees must request to participate in the promotion when signing up for the EPI course to be eligible to partake in it. The 40 pair order must be placed within 45 days of the start of the course.

In cooperation with the ABC requirements, the Eneslow Pedorthic Institute (EPI) is offering a three-level competency training course for aspiring CPEDS. To provide maximum benefit in a minimum of time, a portion of the level one curriculum will be administered through a distance learning program that includes required readings, and testing of all mandatory topics. Upon passing the level one test, students will attend the remainder of the pedorthic pre-certification course at the Eneslow Pedorthic Institute. The course includes the required tests for competency to sit for the ABC exams.

Upon completing the course and successfully passing the competency tests, and fulfilling the 1,000 hour "Clinical practice Requirement" students are eligible to sit for the ABC exam to earn their Pedorthic Certification. For detailed information on the ABC requirements please refer to the ABC website at [www.abcop.org](http://www.abcop.org).

For more information on ABC Clinical Practice Requirements, please go to [www.abcop.org](http://www.abcop.org).

**Pedorthic Pre-Certification Course - \$3,995**

Since 1909, Eneslow Pedorthic Enterprises has been serving the medical community and the public by providing footwear and related devices to prevent and relieve painful and debilitating conditions that are managed at the foot and lower extremity. The Eneslow Pedorthic Institute (EPI) was created in 1995 to enhance the Pedorthic profession and offer Pedorthic education, and training to healthcare professionals and the public. Today, Eneslow Foot Comfort Centers offers footwear that is designed to be attractive while providing the benefits of its founding mission to improve the quality of people's lives from the foot up.

For more information on the Eneslow Pedorthic Institute Pedorthic Pre-Certification course and other EPI education and training programs, go to [www.eneslow.com/epi](http://www.eneslow.com/epi) or contact Eneslow at (212) 477-2300 ext 211 or [epi@eneslow.com](mailto:epi@eneslow.com).

## Cped Scope of Practice

Enslow Pedorthic Institute offers the Certified Shoe Fitter Course, a comprehensive two day course leading to ABC Certified Fitter of Therapeutic Shoes (CFTS) for individuals who fit non-custom therapeutic shoes and non-custom diabetic multi-density inserts. Faculty: Robert S. Schwartz C.Ped, Justin Wernick, Medical Director, Joan Edelstein, MA, PT, FLSPO, C. Ped and Sarah Goldberg, C.Ped over a two day period.

An ABC certified pedorthist is a health care professional who is specifically educated and trained to manage comprehensive pedorthic patient care. This includes patient assessment, formulation of a treatment plan, implementation of the treatment plan, follow-up and practice management. An ABC certified pedorthist fits, fabricates, adjusts, or modifies devices which reflect his/her education and training.

The profession of pedorthics is the provision of patient care and services by or under the direction and supervision of an ABC certified pedorthist to provide the application of a pedorthic device for the prevention or amelioration of painful and/or disabling conditions of the foot and ankle. A prescription is required for any pedorthic device, modification, and/or prefabricated below the knee orthosis addressing a medical condition that originates at the ankle or below.

The pedorthist certified by ABC is bound by the ABC Code of Professional Responsibility which is enforced by a Professional Discipline program. The certified pedorthist is obligated to support and conform to professional responsibilities that promote and assure the overall welfare of the patient and the integrity of the profession. The time limited certification expires without compliance with the Mandatory Continuing Education program. The practice of an ABC certified pedorthist includes but is not limited to:

- 1) Assessment of patients with impairment of human movement or musculoskeletal abnormalities that would otherwise impede their ability to participate in their social environment or other activities in order to determine a functional intervention.

- 2) Formulation of a treatment plan based upon a comprehensive assessment to design an intervention to alleviate limitations and enhance function.

- 3) Implementation of the pedorthic treatment plan.

- 4) Utilization of a follow-up treatment plan that ensures successful pedorthics outcomes, patient health and quality of life.

- 5) Compliance with practice management plans to develop and document policies and procedures to ensure patient protection.

- 6) Promotion of competency and enhancement of pedorthic professional practice to contribute to the profession's body of knowledge.
