ACCESS OFFICE TECHNOLOGIES CELEBRATES 30 YEARS IN BUSINESS

Stroudsburg, PA, August 13, 2009 - Access Office Technologies, a local office technology company, today announced the celebration of 30 years in business. James Becker President and CEO along with Business Manager Kathy Hill have worked together the entire time. "I believe the key to our business success has been in embracing technology changes, maintaining the highest integrity and making customer service a number one priority", Becker said.

Since 1979, Access Office Technologies has been on the forefront of office technology. Beginning with typewriters and evolving to today's computers and digital multi-functional copiers and printers, Access Office Technologies has always made it a priority to stay current with technology and to provide the highest quality technology with personal service.

Access Office Technologies serves the Greater Pocono Area and Lehigh Valley as a 'total solutions' provider with products that include Kyocera, HP, Xerox, Brother, Sharp, TalkSwitch, Cisco and Lathem as well as easy to use content managed web solutions.
