Please join us for the opportunity to receive a PALA Public Policy update, attend a PALA Regional Networking Meeting, and also receive 2 CEU's!

Our September 2014 Lunch and Learn session (approved for two DPW credits) will focus on "A Discussion on the Future of Caregiving" - What do you think is the future of caregiving? Researchers in the United States are developing robot-caregiver prototypes, etc. that could dramatically change the face of caregiving in the future. What impact could that have on seniors, and those residents in your Communities? Join us for a fascinating discussion on what the future of caregiving could look like, and what we all need to prepare for.

Mary Ellen Keller, PALA Education Committee.
