Sponsorship Information Inside

Dario Belardi spent his life being a strong advocate for the Pocono Mountains. He had a strong love for the community and for bringing people to the area. As a former Executive Vice President of Caesars Resorts, Dario helped everybody to appreciate the beauty of the region. He served for many years on the board of the United Way of Monroe County and also served as the Campaign Chairman as well as chairing numerous golf tournaments benefitting the United Way campaigns. Dario also volunteered his services willingly to many other local community businesses and non-profit organizations including the Pocono Mountains Visitors Bureau and St. Jude Hospital.

Lisa Belardi Ambrose and Dario Belardi Jr. have arranged this event in memory of their father. Since their father was so involved in our community, what better way to pay tribute than by raising dollars to support the United Way of Monroe County in an effort to meet the unmet human service needs of our local residents.
