

United Way
of Monroe County

Outcomes Report Template – 2010-2011 Application Process

NOTE: Each program is required to have at least one outcome. Programs that received prior year United Way funding are required to provide up to 3 years of outcome information: 1. the most recent completed outcome year (actual); 2. outcome progress in the current funding year; and 3. an outcome for funds being requested (proposed) for each outcome. Programs with multiple outcomes - please use a separate sheet for each outcome.

Program Name: Working Parent Program **Organization Name:** The Growing Place Child Care Centers

Measurable Outcomes (results you intend to achieve) - List the outputs, past or proposed outcomes, indicators and planned results.

<i>Time Frames</i>	<i>Outputs (number served)</i>	<i>Outcomes (change accomplished or expected)</i>	<i>Indicators (measurement tool)</i>	<i>Year to Date Results</i>
<u>Actual</u> 7/08-6/09	11 children from 8 families	Children remain in a high quality early care and education program. The program assists children in meeting developmental milestones and school readiness.	The # and % of children who remain in the center and receive expected or above expected developmental assessments during the school year	100 % of children received expected and above expected on the Work Sampling assessments completed in November, February and May.
<u>Current</u> 7/09-6/10	12 children from 9 families	Children remain in a high quality early care and education program. The program assists children in meeting developmental milestones and school readiness.	The # and % of children who remain in the center and receive expected or above expected developmental assessments during the school year	100% of children received expected and above expected on the Work Sampling assessments completed in November and February. The May assessment is pending.
<u>Proposed</u> 7/10-6/11	12 children from 9 families	Children remain in a high quality early care and education program. The program assists children in meeting developmental milestones and school readiness.	The # and % of children who remain in the center and receive expected or above expected developmental assessments during the school year	Results expected to be consistent with previous years.
